

## **Château des Laurets Puisseguin Saint-Emilion – 2016 - Tasting Notes**

Violet hues are transparent in the glass. The extremely fresh nose expresses intense black fruit. Hints of cedar mingle with the aroma of Morello cherries. The elegant palate possesses a bold character with sophisticated velvety tannins and notes of liquorice. The finish is long and persistent. While the freshness of this young wine is very pleasant, it also promises an excellent cellaring potential.
